

Eco Clean Hub

Green Fund / Funding Request — Complete Applicant Guide

For NGOs, government/municipal workers, students, community groups, schools/colleges, MRF/waste workers and other genuine environmental initiatives.

Important: Submitting a request does not guarantee approval or payment. Funding is subject to verification, project suitability, available funds and applicable requirements.

1. Applicant Details

- Full legal name and applicant type: NGO, Government/Municipal Worker, Student, Community Group, School/College, MRF/Waste Worker or Other.
- Primary email and mobile number.
- Two alternate mobile numbers.
- Primary email plus alternate email address.
- Full address, city and state.
- Organisation name and registration details, if applicable.
- Profile photo.

2. Identity & Verification

- ID type and ID number.
- Valid identity-card upload.
- Applicant/profile photograph.
- Organisation registration/proof, if applicable.
- Previous work/project proof.
- Digital signature (draw/upload).
- Thumb impression with Left/Right thumb selection.
- Only genuine documents belonging to the applicant/authorised organisation should be submitted.

3. Funding Request

- Project title and project type: Tree Plantation, Urban Cleanup, River Restoration, Waste Management, Recycling or Other.
- Amount requested and expected beneficiaries.
- Exact project location.
- Planned start date and expected completion date.
- Detailed reason for requesting funds.
- Explain exactly what, when, where and how the money will be used.
- Detailed budget breakup with item, quantity, estimated cost and purpose.

4. Previous Work

- Previous cleanup, plantation, restoration, recycling or community work.
- Previous funding received, if any.

- Previous results and measurable impact.
- Photos/proof of previous work.
- Relevant website, social or project links.

5. Project Video

- Create a clear video explaining who you are, what the project is, why funding is needed, where/how money will be used, expected impact and previous work.
- Provide a shareable Google Drive video link or the supported video upload.
- Test the link before submitting and ensure reviewers can view it.
- Do not submit a link that requires an unknown personal account or blocks authorised reviewers.

6. Review & Funding Workflow

Status	What happens
Submitted	Application and required documents are submitted.
Under Review	Admin checks identity, documents, project details, budget and evidence.
More Information	Admin may request missing documents, clarification or corrections.
Approved / Rejected	Admin records the decision and reason.
Funding	Approved amount and release conditions are recorded.
Monitoring	Progress and utilisation evidence are submitted.

7. After Funding — Mandatory Reporting

- Date-wise expense report.
- Amount used against each approved budget item.
- Bill/invoice/receipt uploads where required.
- Before/after photos and progress updates.
- Final impact report.
- Final completion proof.
- Remaining/unspent amount declaration and handling according to admin instructions.

8. Terms & Conditions

- Funds must be used only for the approved environmental/community purpose and approved budget.
- Applicant information, documents and declarations must be truthful and complete.
- False identity, forged documents or material misrepresentation may result in rejection, cancellation and/or recovery of funds.
- Knowingly using funds for an unauthorised purpose may lead to suspension/cancellation, recovery and other lawful action where applicable.
- Unused funds must be declared and handled according to the approved instructions.
- Expense evidence must be provided when requested.
- Eco Clean Hub/admin reviewers may verify submitted information, documents, project progress and expenditure evidence.
- Approval does not guarantee future funding.
- Tax, licensing and other regulatory obligations remain the applicant's responsibility unless expressly agreed otherwise.
- Applicant consent is required for processing and review of submitted information and documents for funding administration, subject to applicable privacy requirements.

Declaration: I confirm that the information and documents submitted are genuine and that approved funds will be used only for the stated project purpose.

9. What Is Visible and What Is Restricted?

Area	Visibility
Applicant	Own application, status, admin requests, reporting deadlines and own submitted records.
Admin / Restricted	Identity document, ID number, signature, thumb impression, sensitive contacts, private evidence, verification not
Public (if enabled)	Only non-sensitive approved project information such as project name, category, general location, progress and

10. Submission Checklist

- Profile photo
- Valid ID
- Signature
- Thumb impression
- Organisation proof (if applicable)
- Previous work proof
- Detailed project plan and budget
- Primary + 2 alternate phone numbers
- Primary + alternate email
- Project video / Google Drive link
- Terms & Conditions read and accepted

11. Video / Google Drive Instructions

- Record a clear project video in a quiet, well-lit place.
- Introduce yourself/organisation and show relevant previous work.
- Explain the exact environmental problem and proposed solution.
- Explain requested amount and the budget item-by-item.
- Explain when, where and how funds will be used.
